

# Building for the Future

Join Richmond Ballet's Encore Society

“Ballet has always been an important part of our lives. We have watched with interest as Richmond Ballet evolved into a professional company, eventually outgrowing its location at Lombardy and Broad. We were happy to lead the campaign to raise money for a permanent facility, one that would not only secure a place for Richmond Ballet in the city’s thriving arts community but would also demonstrate the commitment of the Ballet to the City of Richmond. We are proud to have helped establish a new home for Richmond Ballet and to have been associated with this outstanding ballet company. We want to ensure that we will be a part of the Ballet’s growth well into the future.”
