Richmond Ballet's 17th Annual Auction
Saturday, February 6, 2010
The Commonwealth Club

☞ The Annual Auction is the largest fundraising event for Richmond Ballet, the nationally acclaimed State Ballet of Virginia.

☞ The event grosses over \$200,000, due in large part to the generosity of our event sponsors and donors.

☞ Attracting an affluent group of patrons, the auction features premium wines, art, dinner packages, personal delights, and travel and leisure packages.

☞ The proceeds help support the Ballet's professional performances, exceptional dance education and training and community outreach programs, including *Minds In Motion*. Collectively, these programs and productions reached more than 100,000 people in 2008-09.
